

Marlboro Township

OPEN FOR BUSINESS

Welcome to Marlboro Township!

Marlboro is a business-friendly community that has made a long-term commitment to support its local businesses through several township-sponsored programs including: grand-opening ribbon cutting ceremonies, e-mail blasts and promotions, free-listings on the Township’s Merchant Directory, networking events, and TV and newspaper advertising by our Economic Development Committee. Our newest and most successful initiative is our

innovative “Shop Marlboro Property Tax Reward Program,” which incentivizes our Town’s residents, family, and friends to keep their purchasing dollars for goods and services in Marlboro by offering them a corresponding credit on their property tax bill! Go to marlboroedc.com for information on this “first of its kind” and other business-friendly programs. We welcome you to visit the visit the EDC’s page on the Township website for the latest Shop Marlboro news.
